Dinner: Hualapai Mountains at the Hualapai Lodge

Saturday Special Event

We will caravan up to the Grand Canyon Caverns where we will go down 30 stories to total darkness and the humongous petrified sloth. After the tour, we will proceed to Seligman for lunch at Lilo’s Westside Café for either German or American food. Then you can leave for the valley by going through either Prescott Valley or Flagstaff. Or you can stay another night in Kingman.
